THE GRASS IS GREENER IN GREENWICH

In keeping with Quest tradition, we take a break from the hustle and bustle of New York City and join an exemplary group that brings a touch of added class to our host estate in Greenwich, Connecticut. A storied town, Greenwich has a rich tradition of producing some of the best and brightest of each generation, and the young men and women who join us in the following pages are no exception.

Opposite page, from left to right: Hayden Arnot, Lexi Henkel, Claudia Miller, Gabby Greig, Allie Kenny, and Mack Abbot gather around a 1962 Jaguar E-Type convertible provided by Carriage House Motor Cars at a Sotheby's International Realty estate in Greenwich, Connecticut. Hayden wears a Ralph Lauren button down and Stubbs & Wootton Martini Slippers; Lexi wears a dress from Ralph Lauren's SS18 Runway Collection and the gold Vhernier Jou Chain on her wrist; Claudia is dressed in Alice + Olivia apparel and Vhernier earrings; Gabby sports a dress by Milly; Allie wears another Ralph Lauren runway dress and Vhernier ring; and Mack shows off a 1950s vintage Breitling chronograph from Laurent Fine Watches.
